

# Electronic Seminar on Mathematics Education

## Active learning in Calculus at Cornell

There is a long history of engaged teaching in the Mathematics Department at Cornell. We will give an overview of two significant projects focused on Calculus 1: the Good Questions project and the Active Learning Initiative.

**Steve Bennoun and  
Tara Holm, Cornell**

**April 30, 2019**

We will give some of our preliminary findings about what has an impact on student learning. We will also discuss implications of our work for TA and instructor training.
